Products Label Update Notice

Dear Valued Customer,

Fresenius Kabi Canada would like to advise that changes were made to the below products' vial & tray labels:

- **Labelling:** Applicable changes have been made to include a 2D DataMatrix barcode which is added to the carton and vial labels, encoded with GTIN, lot and expiry information.

There is **no change** to the formulations, the product stoppers remain **free** of natural rubber latex and the products are **free** from **preservatives**.
