**Cefazolin for Injection, USP 100 g SmartPak® &  
CefTRIAXone for Injection 100 g SmartPak®  
Product Component Changes**

Dear Valued Customer,

Fresenius Kabi Canada would like to advise that the following changes have been made to our **Cefazolin for Injection, USP 100 g SmartPak®** and **CefTRIAXone for Injection 100 g SmartPak®**:

- **SmartPak® transfer port:** The threaded cap on the transfer port is to be replaced with a pop-off cap.
- **SmartPak® reconstitution port:** The breakable cap on the reconstitution port is to be replaced with a standard cap to prevent cap detachment.

There has been no change to the formulation, and these products remain **preservative free and latex-free**.

DIN	Current Product Code	MDP Code	McKesson Code	Product Description	Current UPC Codes	Availability Date
02401029	CP1455B1	966988	46519	<b>Cefazolin for Injection, USP 100 g SmartPak®</b>	Bag: 629336001033 Tray: 629336001040	<b>September 2023</b>
02409968	CP1456B1	967774	64206	<b>CefTRIAXone for Injection 100 g SmartPak®</b>	Bag: 629336001057 Tray: 629336001064	<b>May 2023</b>

Please note, during this transition period the current SmartPak® format may still be in distribution until inventory is depleted, at which point the current format will be **discontinued**.

If you would like to obtain more information on this product, please contact your hospital representative or our Customer Service Department at (877) 821-7724.

Sincerely,

George Shamsoun
