Sodium Bicarbonate Injection, USP 8.4% 1 mEq (mmol)/mL, 50 mL Vial **Supply Update**

Dear Valued Customer,

Fresenius Kabi Canada would like to advise that although allocations for our **Sodium Bicarbonate Injection, USP 8.4% 1 mEq (mmol)/mL, 50 mL Vial** remain at **100% of historical monthly demand**, some accounts will be supported by Sterimax in September. If your account does not have an allocation through Fresenius Kabi Canada, please reach out to Sterimax for support.

Should you require an increased allocation, please reach out to our Customer Service Department at Canada_CustomerService@Fresenius-Kabi.com for assistance.

Due to a delay in production, we will be encountering a supply interruption effective **October 1, 2025**, until **December 9, 2025**. Sterimax is an alternate supplier of this product and will be able to provide coverage during this time.
