Tobramycin Injection & Vasopressin Injection, USP
2D DataMatrix & Availability Notice

Dear Valued Customer,

Fresenius Kabi Canada is pleased to advise of the availability of our **Tobramycin Injection 40 mg/mL, 30 mL Vial** and **Vasopressin Injection, USP 20 USP units/mL, 1 mL Vial** with a 2D DataMatrix.

- **Labelling Updates:** Applicable changes have been made to include a 2D DataMatrix barcode which is added to the tray & vial labels encoded with GTIN, lot and expiry information. The linear barcode has been removed from the vial labels, and the human-readable GTIN has been added to the label.

These products will be available at all distribution centres by **April 23, 2026**, without restrictions.

DIN	Fresenius Kabi Product Code	MSD Product Code	McKesson Product Code	Product Description	Availability
