CefTRIAXone for Injection 100 g, SmartPak® Backorder Notification

Dear Valued Customer,

Fresenius Kabi Canada regrets to advise that due to production delays, our product **CefTRIAXone for Injection 100 g, SmartPak®**, will go on allocation effective **January 14, 2026**. Customers will be allocated **100% of historical monthly demand**. Allocations will be reduced to 50% in February.

Effective **March 1, 2026**, until **March 10, 2026**, we will encounter a backorder on this product.

We are working diligently with our plant to improve the supply situation and will continue to update the market as new information becomes available.

DIN	Fresenius Kabi Product Code	MSD Product Code	McKesson Product Code	Product Description	Allocation January	Allocation February	Backorder*
02409968	CP1456B1	1000552	64206	Ceftriaxone for Injection 100g, Smartpak®	100% Allocation	50% Allocation	Mar. 1, 2026 – Mar. 10, 2026

*Please note that the stockout date may vary by region, please check your local distribution centre for availability.

We recognize the difficulties and inconvenience that you may encounter as a result of this supply interruption, and we thank you for your patience and understanding in this matter.

If you have any questions or concerns, please do not hesitate to contact your sales representative.

Sincerely,

Joseph Le
