PAYMENTS TO PATIENT ORGANISATIONS AND MEMBERS OF THE PUBLIC

We believe that being transparent about our support for patient groups and members of the public helps to build trust with our stakeholders.

During 2022* we did not provide support to patient organisations.

We made a £250 payment to a charity at the request of a patient who gave a talk on their experiences.

*Please note that we will update on an annual basis by 1 April for all contributions, benefits in kind, sponsorships and donations to patient organisations and to patients made in the previous year. All entries are created in good faith and the list will be updated if we find any new information.
