Moxifloxacin Injection 1.6 mg/mL freeflex® Bag 250 mL New Product Launch

Dear Valued Customer,

Fresenius Kabi Canada is pleased to announce the launch of **Moxifloxacin Injection 1.6 mg/mL freeflex® Bag 250 mL**. This product is bar-coded, latex free, preservative free, PVC free and DEHP free.

Product will be available through all MDP, McKesson, and McMahon locations.

Product Code	DIN	MDP Code	McKesson Code	McMahon Code	UPC Code	Description	Units per Case	Availability Date
ABU0422	02433087	970955	115605	10099439	Bag: 629336002672	Moxifloxacin Injection 1.6 mg/mL freeflex® Bag 250 mL	10	August 16, 2017
					Case: 629336002689			

Please note that due to limited inventory we will be placing the product on reduced allocation based on volumes provided by the Group Purchasing Organizations.

We are working diligently with our fabricator to increase our inventory and will provide further updates as soon as we receive them.

Information for all Fresenius Kabi Canada products is available on the ECCnet registry, which is Canada's online, standardized product registry for synchronized data exchange, or on our website at www.fresenius-kabi.ca.

If you would like to obtain more information on this product, please contact your sales representative or our Customer Service Department at (877) 821-7724.

Sincerely,

George Shamsoun
