

Growing and thriving with Medical Nutrition Therapy: From evidence to clinical experience

Symposium

May 17th 2024, 12:00-13:00 CEST

Join us at ESPGHAN 2024 in Milan and learn about pediatric and neonatal medical nutrition therapy at our symposium!

Friday, May 17th 2024

12:00 - 13:00 CEST

Growing and thriving with Medical Nutrition Therapy: From evidence to clinical experience

Chair: Prof. Miguel Sáenz de Pipaón (Spain)

- **Intravenous lipids in the NICU**
Prof. Magnus Domellöf (Sweden)
- **Clinical Nutrition, Rehabilitation and Growth in Children with Short Bowel Syndrome**
Dr. Barbara de Koning (Netherlands)

As a congress participant, you have the opportunity to watch our symposium live onsite or via the congress livestream.

Unable to attend ESPGHAN? Don't worry!

We will share the recording afterward on [NutritionEvents.com](https://www.nutrionevents.com).

Kind regards,

Your Fresenius Kabi Team

Note: This session is an official symposium of the 56th Annual Meeting on the European Society for Paediatric Gastroenterology, Hepatology and Nutrition. This session is not included in the main event CME/CPD credit.
