This Thursday, our Executive Director and Chief Delegate Mr. Axel Limberg, together with Mr. Mats Henriksson, President and CEO of the German pharmaceutical company Fresenius Kabi visited Chi-Kung Ho, Deputy Minister of the Taiwanese Ministry of Health and Welfare. As one of the leading health care companies worldwide, @Fresenius group currently employs over 2000 people in Taiwan. Fresenius Kabi has several ongoing local corporation initiatives in place, covering local pharmaceutical & enteral nutrition companies. The product portfolio of Fresenius Kabi comprises a comprehensive range of I.V generic drugs, infusion therapies and clinical nutrition products as well as the devices for administering there products. In the field of biosimilars, they also focus on autoimmune diseases and oncology.
